The Artist in Me

By Wayne Reed Lougee

Introduction

The artwork presented in this book have all been produced by me in recent years. I have tried from time to time to publish an art book of my recent work for family and friends. This is my latest book. In recent years. I have mainly produced my artwork digitally because of the ease and reduced household mess that is typical of traditional art.

That being said, I have developed digital art that exceeds in beauty any of my traditional art I have ever produced. I have taken digital art to a level never seen by the average amateur artist. I am proud to still be an amateur artist. I do not sell my art, but give it away freely. Any artwork in this volume may be used by anyone for legal and nonprofit purposes.

My artwork belongs to the world.

The Wall

I first saw the Great Wall in 1986.

Looking Beyond the Trees

Rembrandt looking through the trees.

My Coin Collection

A Qing Dynasty coin.

The Maryland City Airport

Small airport on Brock Bridge RD between Laurel and MD City.

Southern California Beach Houses

I believe this is in San Diego.

Our Living Room

This is our living room in Gilbert.

From the Ancient Chinese Book of Songs

Laurel Lakes in Laurel.

An Eagle

The backside of a coin someone gave me.

My Wife's Dog

Bert on a chair in or Gilbert family room

Three of My Granddaughters

A family trip to Great Falls, MD.

Three Trees

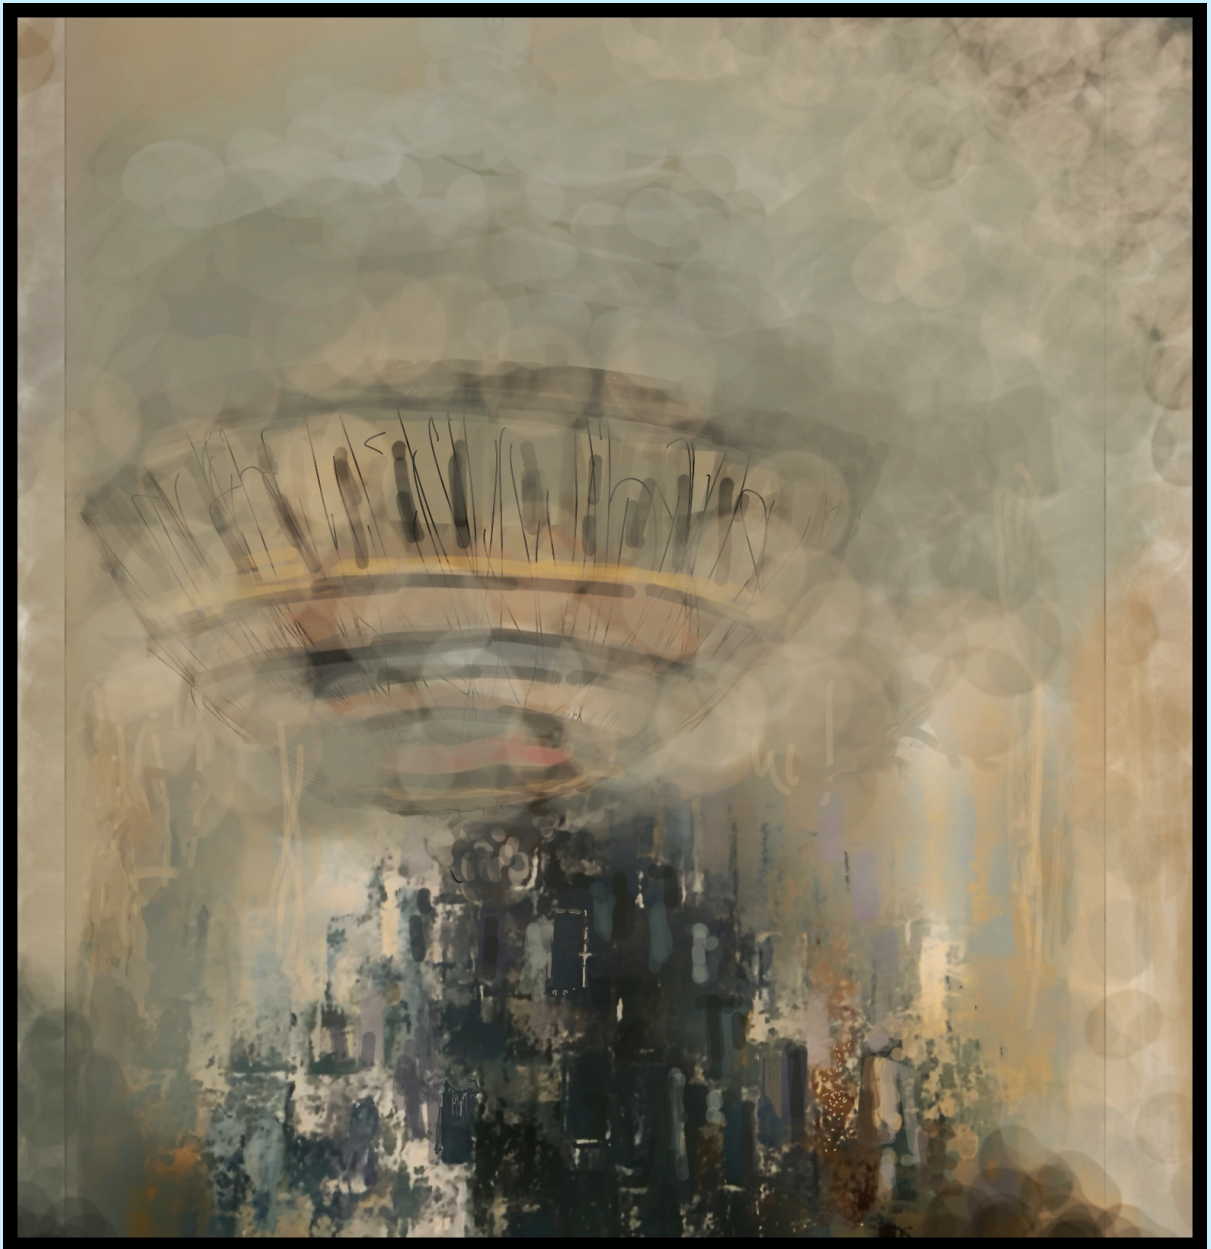

Trees.

London Bridge in Arizona

Great vacation. I fell, hit my head, and got a concussion.

Destruction

War of the worlds

In My Youth

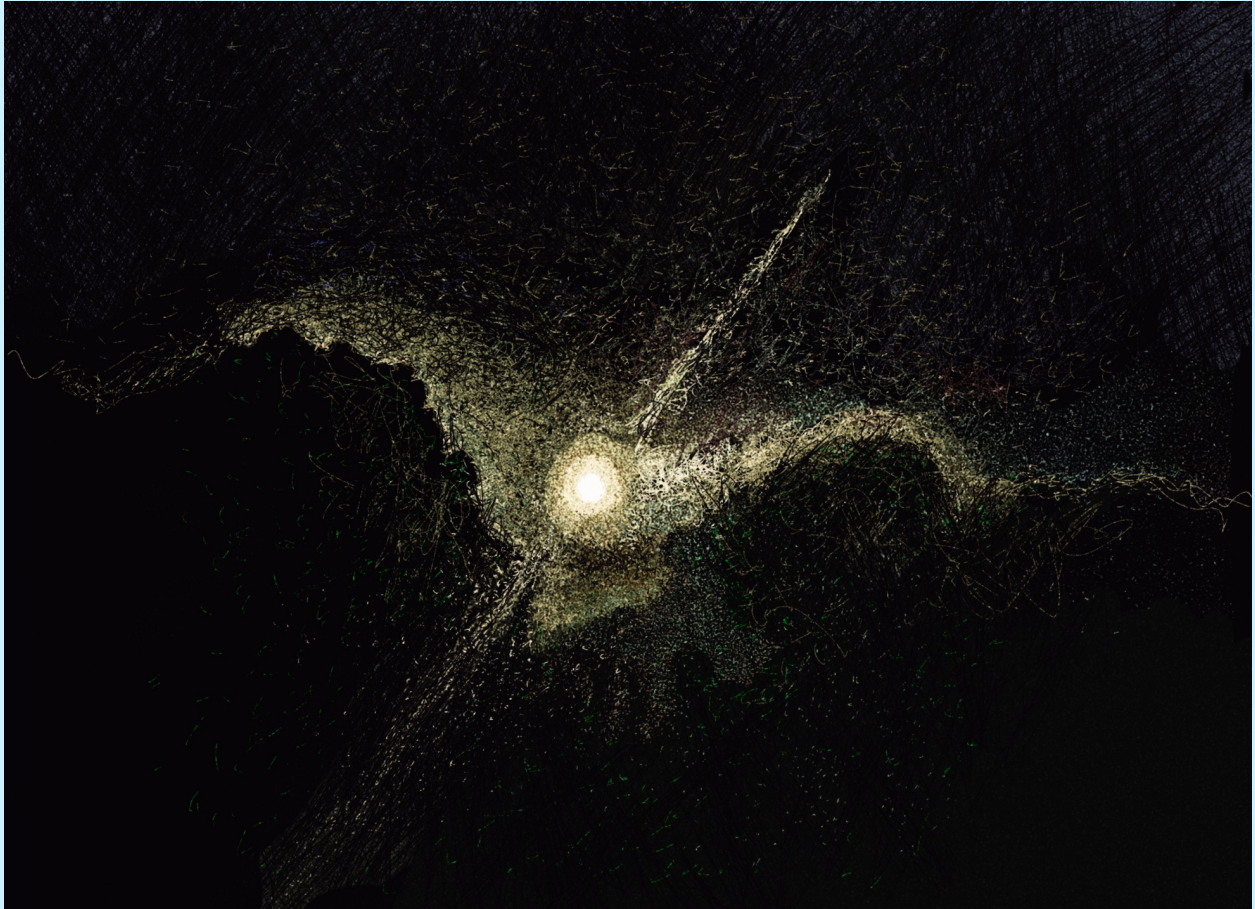

In my youth I liked to play games, now that I have grown

Chengdu Street Child

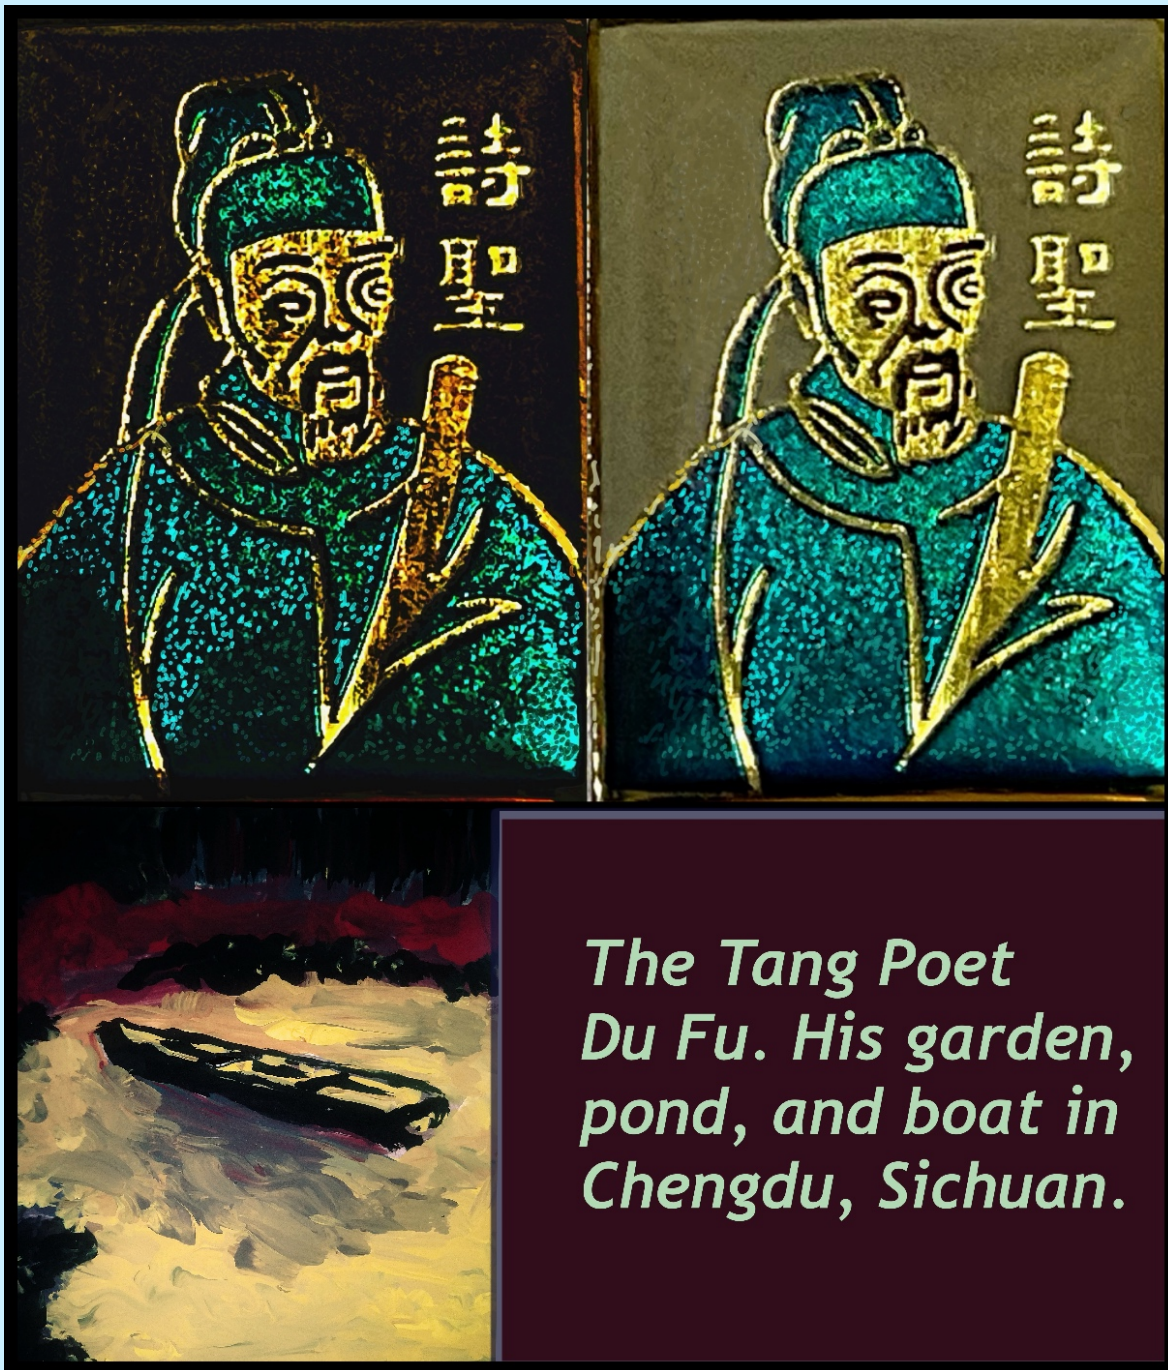

A child I passed on morning in Chengdu.

Maryland Moon

The moon over the trees in my daughter's backyard.

Dufu, the Poet

*The Tang Poet
Du Fu. His garden,
pond, and boat in
Chengdu, Sichuan.*

I visited Dufu's garden once. I've translated his poems.

Three Other Trees

I either saw these trees down the road from my daughter's house or in the background of a Raphael painting.

What is Art?

One man's art is another man's

Sunrise Over Laurel Lakes

Entirely fabricated picture with as many as 18 layers.

My Daughter's Backyard

Just like the title says

My Daughter's Backyard in B/W

Same as last picture, but without color.

The C and O

The C and O Canal in MD.

Collecting Feathers

Granddaughters collecting goose feathers.

Great Falls, MD

A fun family outing and hike on the Potomac.

In the West Country

Across the street from my daughter's house in western MD.

MD cardinal.

High School Graduation

HIGH SCHOOL

Longshan Temple

Temple in Lugong, Taiwan.

The Metro, DC

Riding the DC Metro.

An Artist, Not the Artist

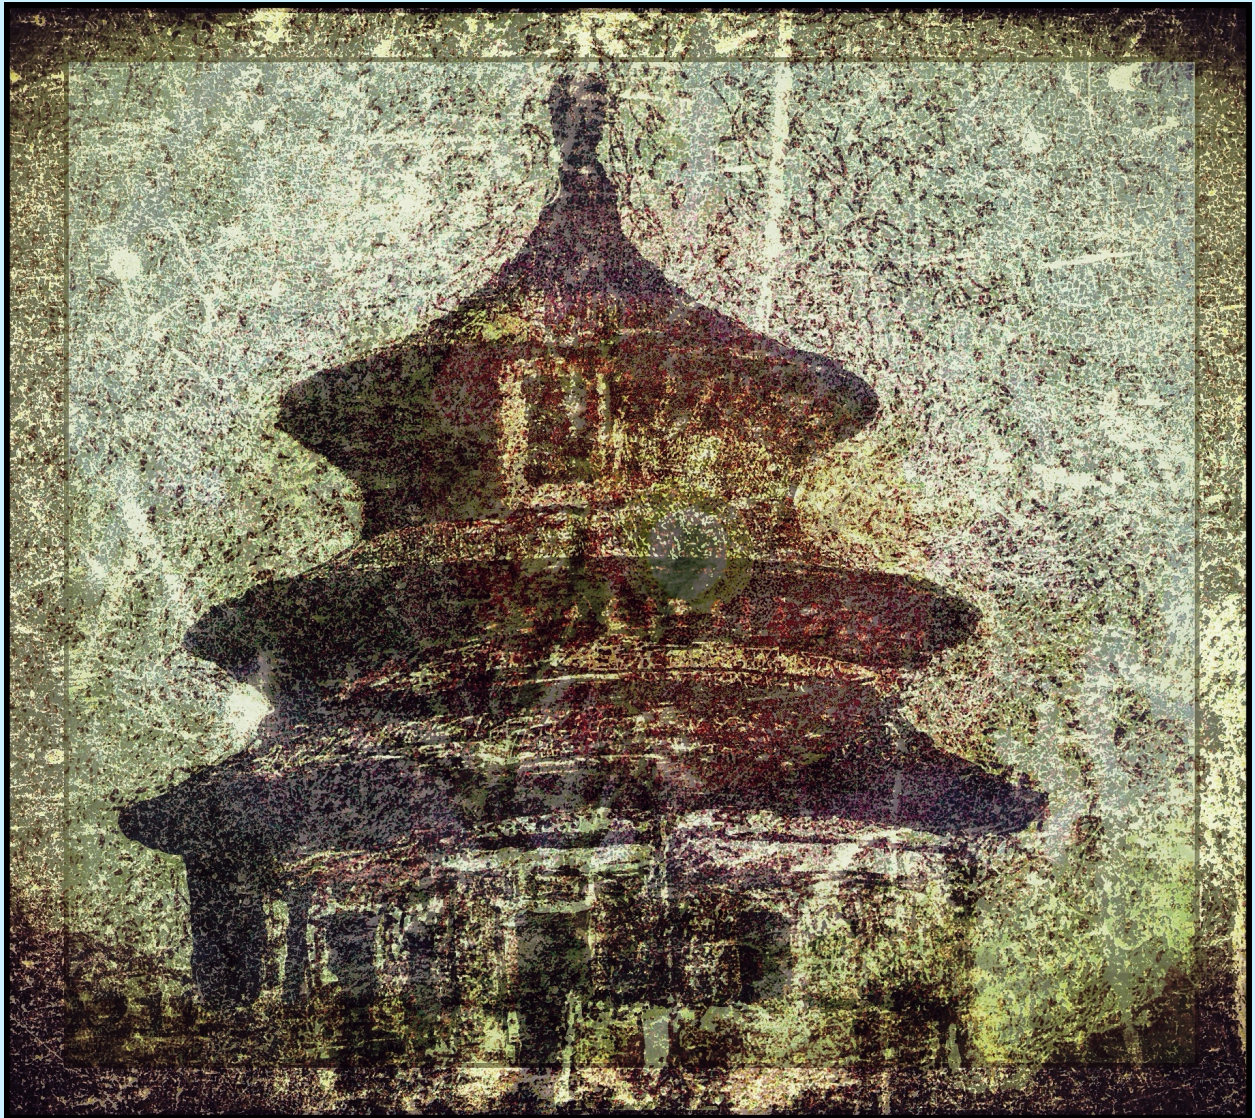

The actual artist, I only pretend.

Fun With Color

Making stained glass out of my art.

The Temple of Heaven on Earth

In my opinion, one of the more sacred places on earth.

Joy in the Morning

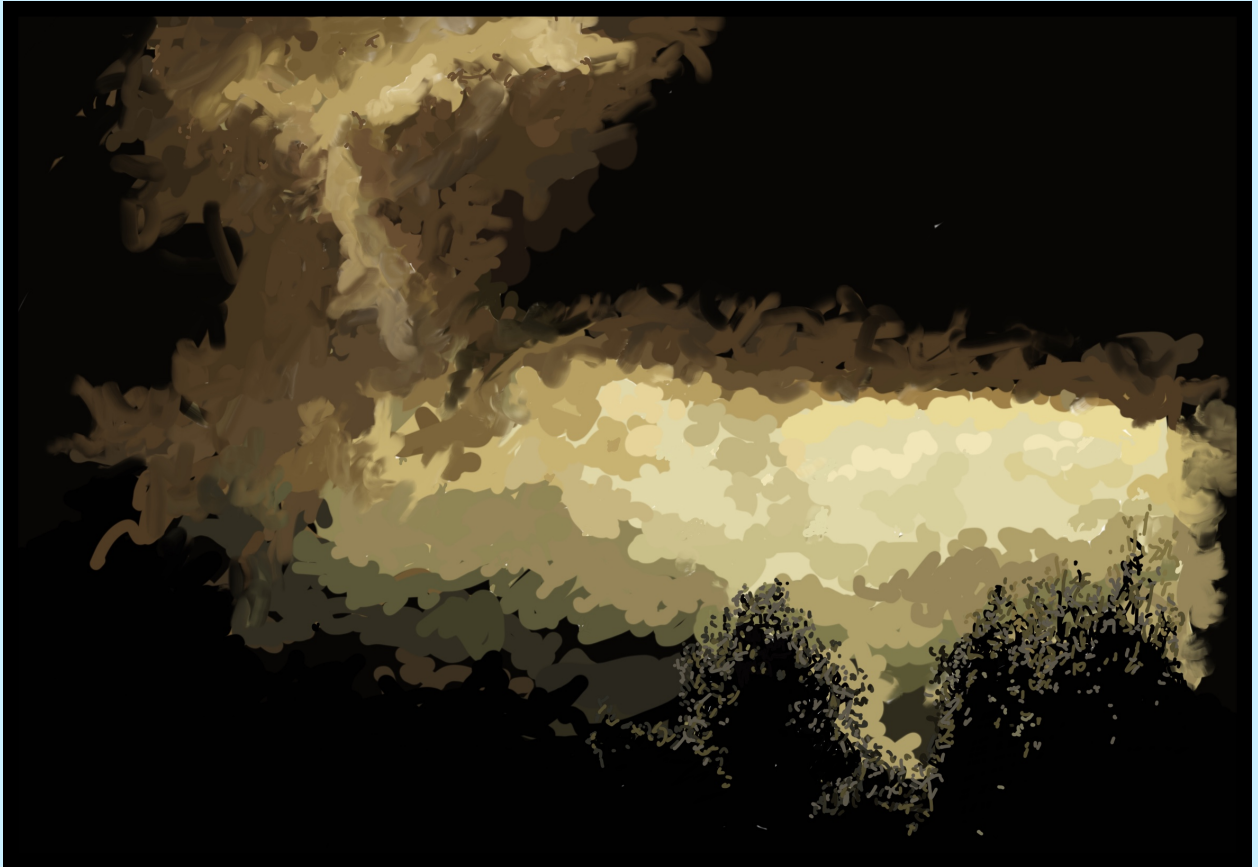

I believe this is true. Most things I worry about never happen anyway.
(TP)

On the Beach

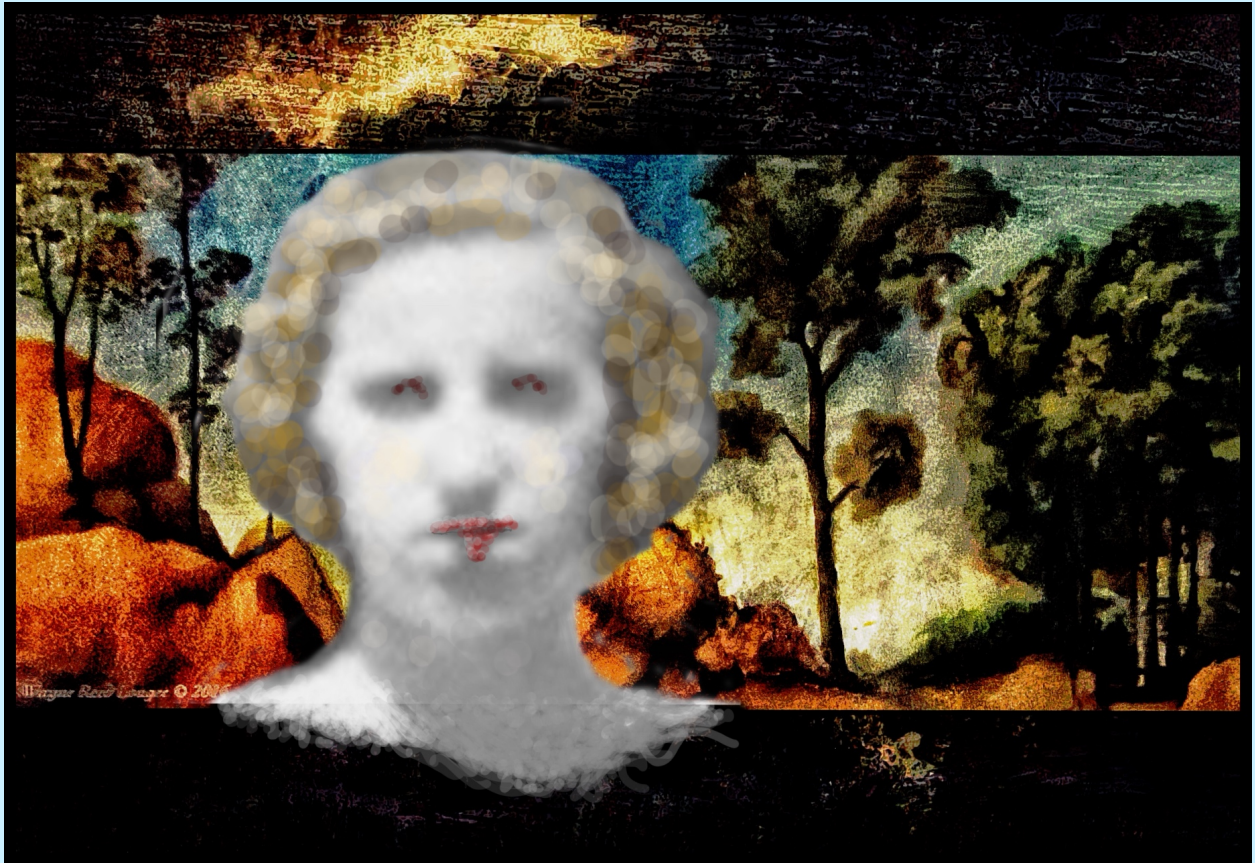

This was a fun picture to draw. It is a composite of several drawings.

The Coming Storm

I love to draw dark Strommer clouds. One thing I have found is that everyone has their own storms in their lives.

My Enhanced Grandmother

Yes, I was playing around with this one. It is a digital colorized and enhanced picture of my grandmother, but she looks exactly like my daughter.

Country Lane in Maryland

This is about a mile from where we lived in MD.

My Son's Neighbor

My drawing makes this house look quite dilapidated, but it is not.

My Daughter's Cat

I think this cat is no longer with us.

The Eagle and the Key

No comment needed.

Corner Lamp

The picture on the table is of Debbie and me.

My Son in my Great Grandmother's Hair

Gary's face can be seen in my great grandmother's hair.

A Lonely Walk

A cold and sad picture.

Sunrise in Monet's World

My copy of a Monet painting.

The River, the Clock, and the Book

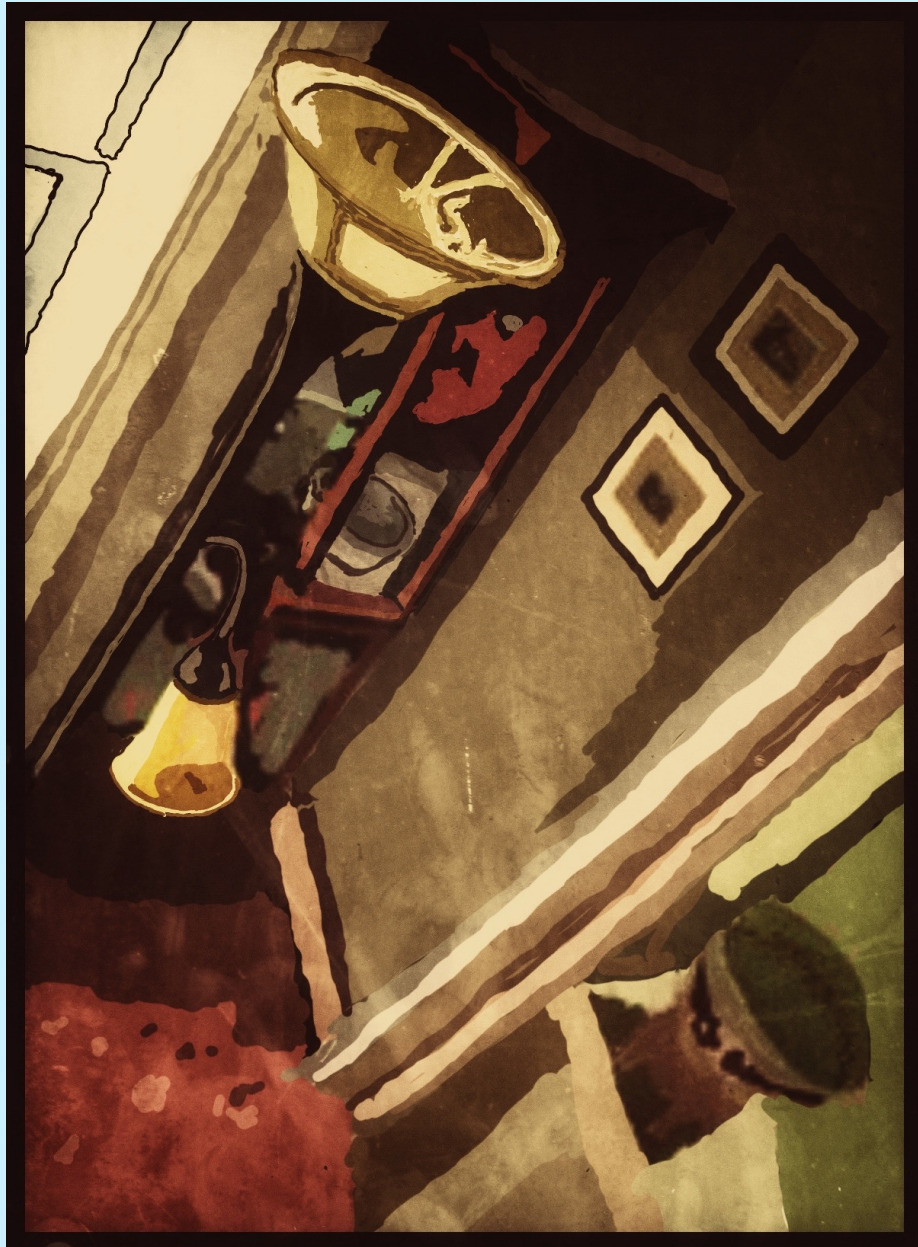

A fun, nonsensical picture.

Prineville Railway

Not much left of a great railroad.

Looking Down the Stairs

The view of our MD living room from the top of the stairs.

911

Picture of the twin towers in 2000.

My Daughter

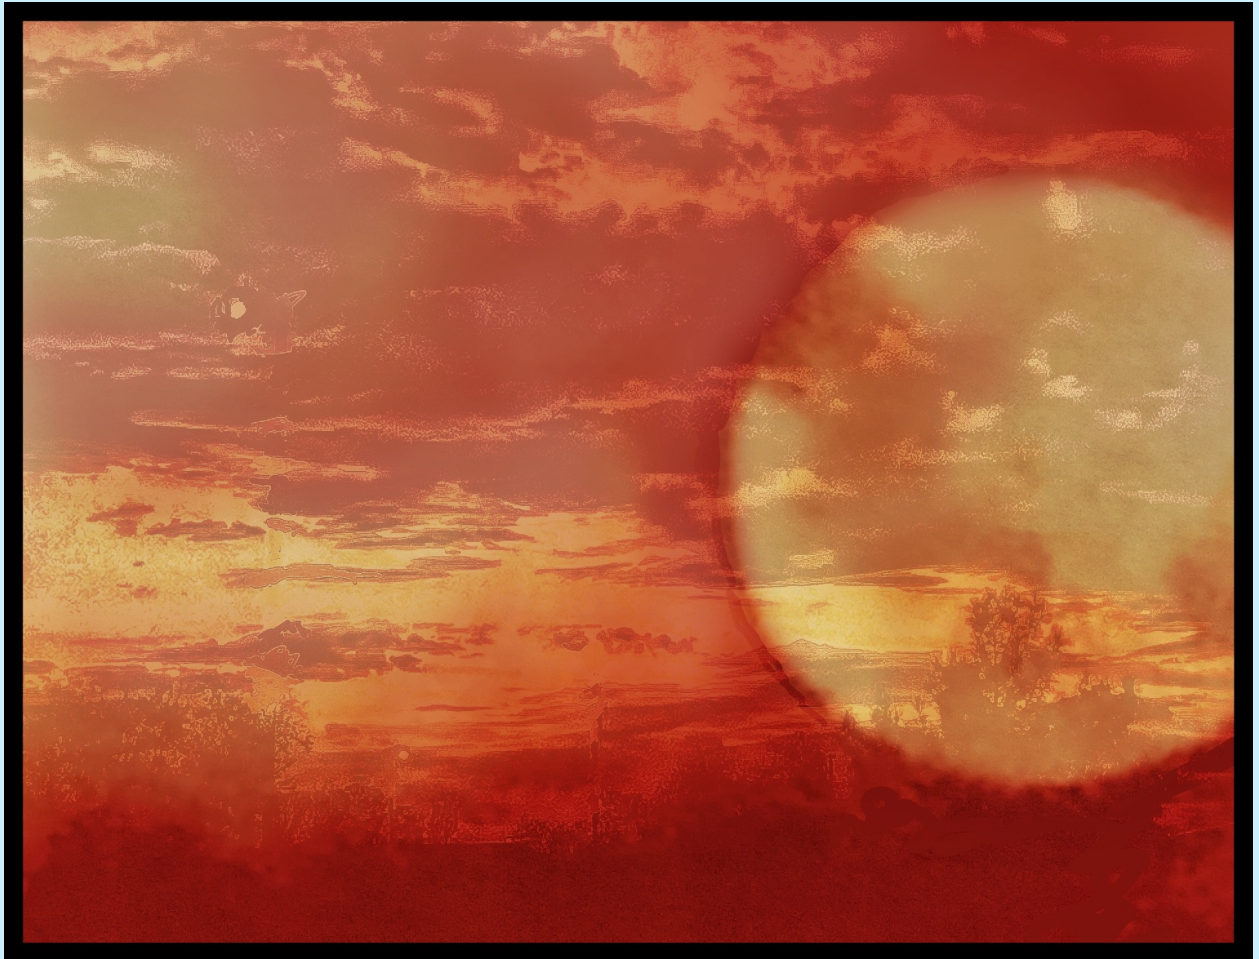

Eating at a sidewalk restaurant in DC.

The Red Piano

Hotel banquet room in Chengdu.

A Red World

Just a fun picture using a photo of the sun.

Gettysburg Farm

Drawing of a photo taken with my tablet through the window of my friend's vehicle while driving through Gettysburg..

A Lady in the Market

Lady in a Chengdu market.

The Navy Bridge

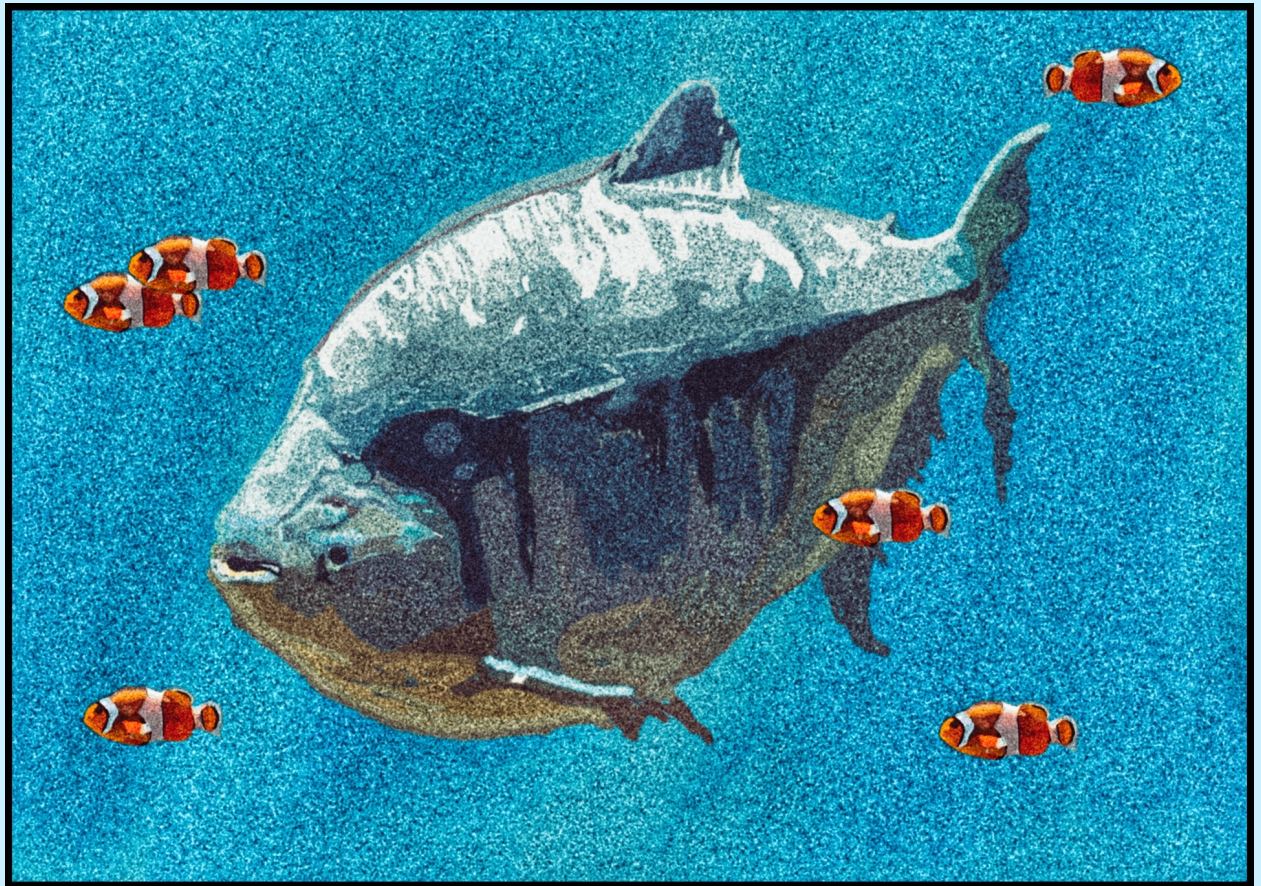

The Navy Bridge as seen from the Severn River Bridge.

The Clock and the Book

An unfinished drawing.

Little Nemo

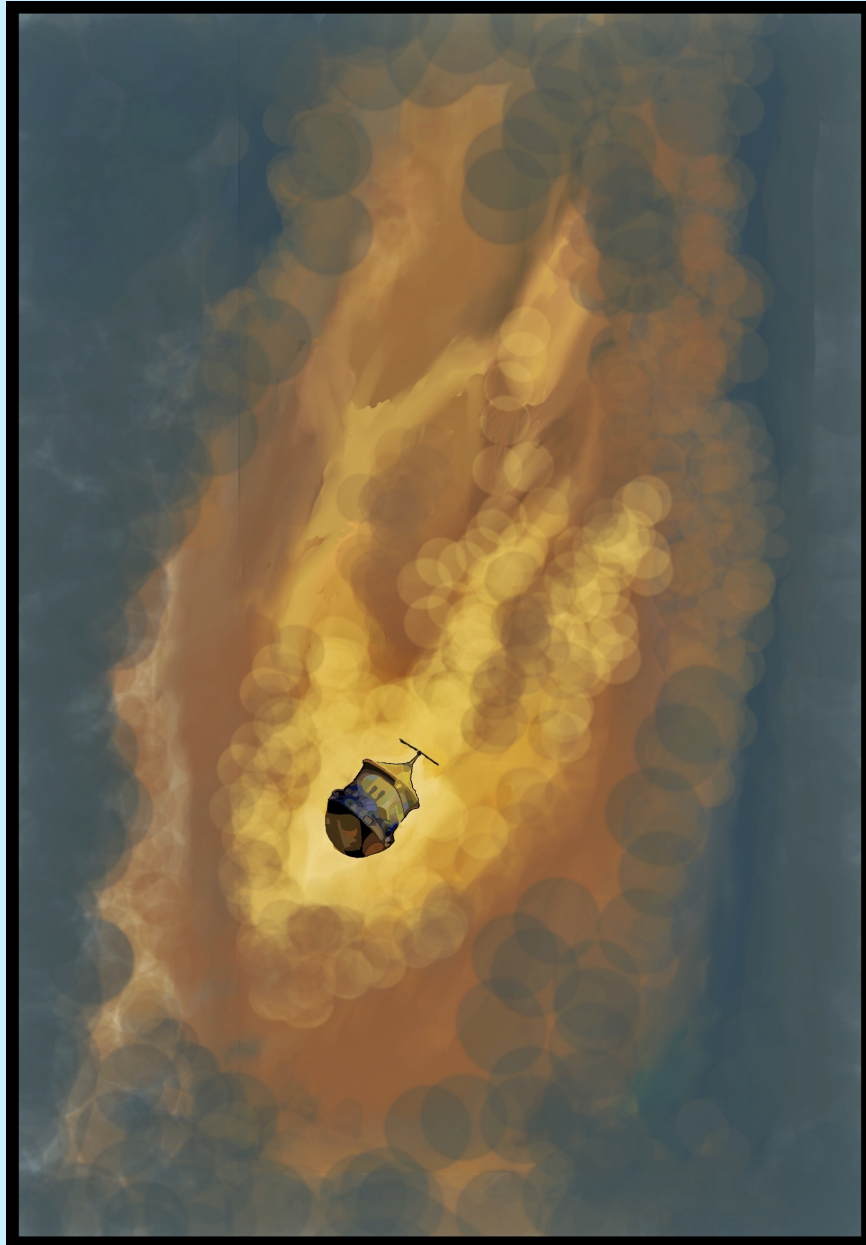

Nemo is swimming the wrong direction.

Monet's Pond

Lily pads in a Beltsville, MD park.

Free Falling

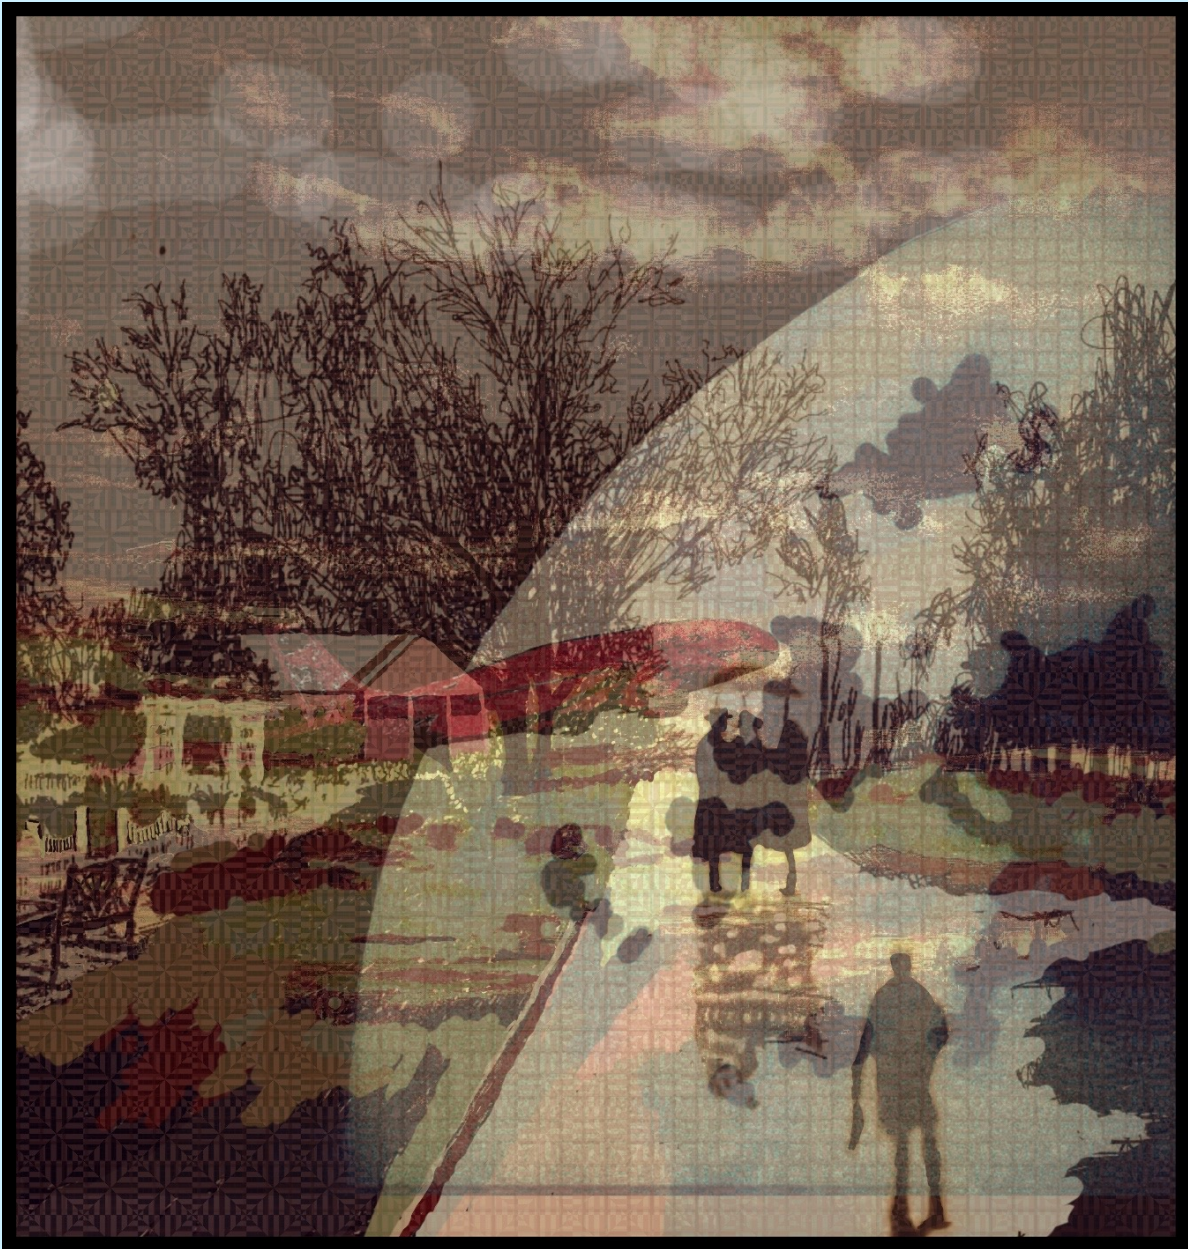

Gilbert water tower free falling to earth.

Washington Monument, Baltimore

Charles Street, Baltimore

France, 1918

Not really France, not really 1918.

Things, China

A Mao pin, a piece of jade, a piece of the Forbidden City wall, and a PLA medal.

Little Ricky

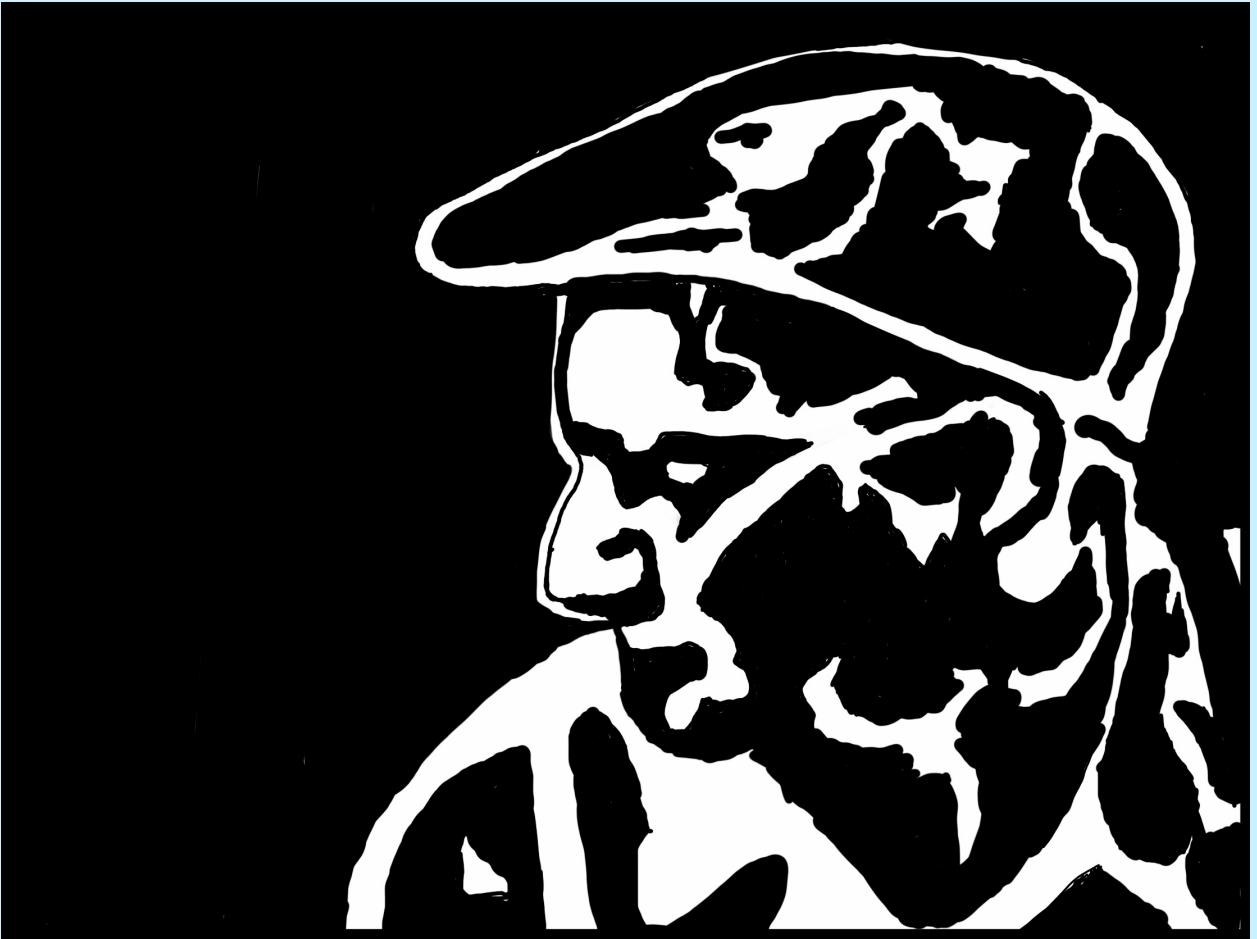

Drawing on Richard Lin playing the bass.

Mr. Li

We ate at Mr. li's restaurant in
Beltsville.

My Friend, Dale

My dear friend Dale Wagner..

Chinese Soldier

A PLA medal.

Colorful Pennsylvania Farm

Gettysburg

Nighttime

Somewhere between our church and our home.

Grandfather's Last Quarter

The only my grandfather had when he died.

The Storm

Church Windows

A church down the street from my son's house.

Landscape

100% made up picture.

Red in the Evening

A good example of the Arizona red sunsets.

Friends out Watching the Sunset

6 interesting people experiencing the sunset together.

Friends Out For A walk

3 interesting people out for a black and white walk.

A Grove of Trees

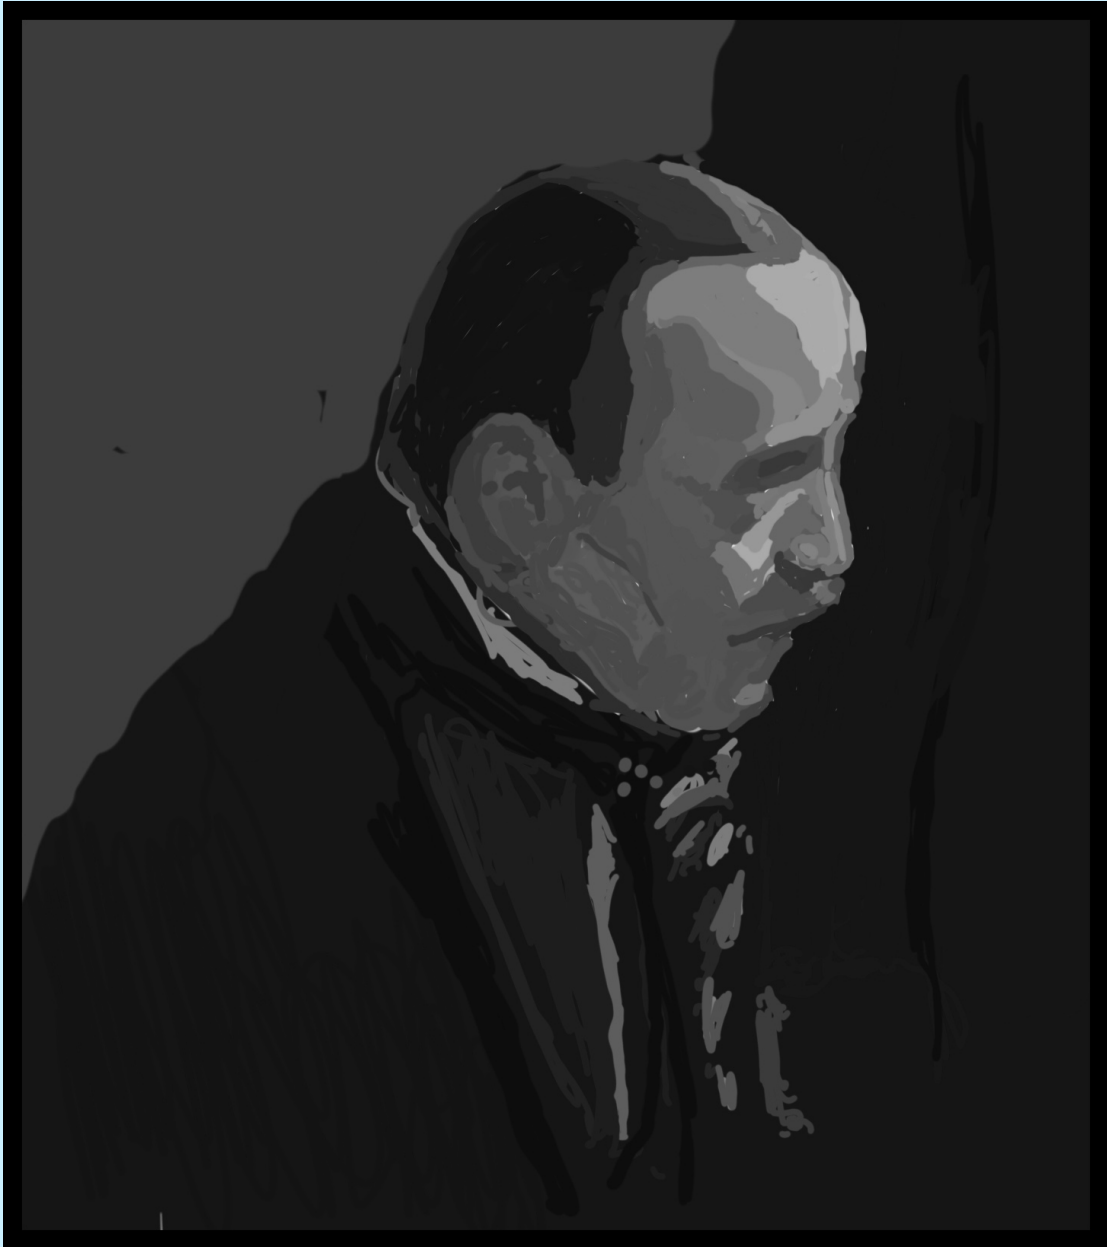

Another random tree drawing.

Horse and Riderh

A rare drawing of horse and rider.

A Vanishing Cricket Player

One of a pair of cricket fans in the Hitchcock movie *A Lady Vanishes*.

A Market Scene

A group of interesting people in a black and white Chengdu market.

Two People

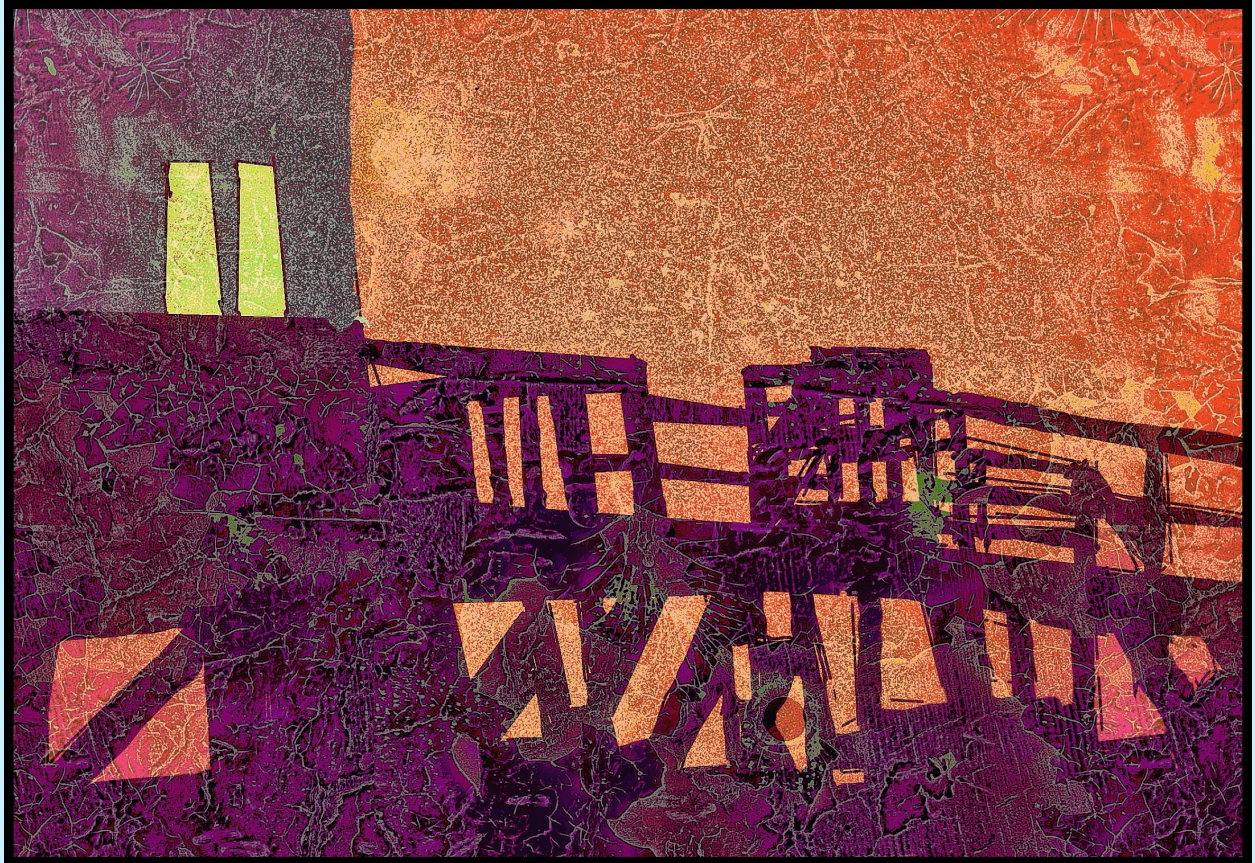

Two people that seem to find their way into my artwork.

Another Cricket Fan

The other Hitchcock cricket fan.

Sunset

Evening on the Outer Banks.

Charles Street

Charles street

Photo/Art Book

This is me looking through one of my books.

Eagle

I love birds, both big and small.

Evening

Interesting street scene, not sure what is going on.

The Storm

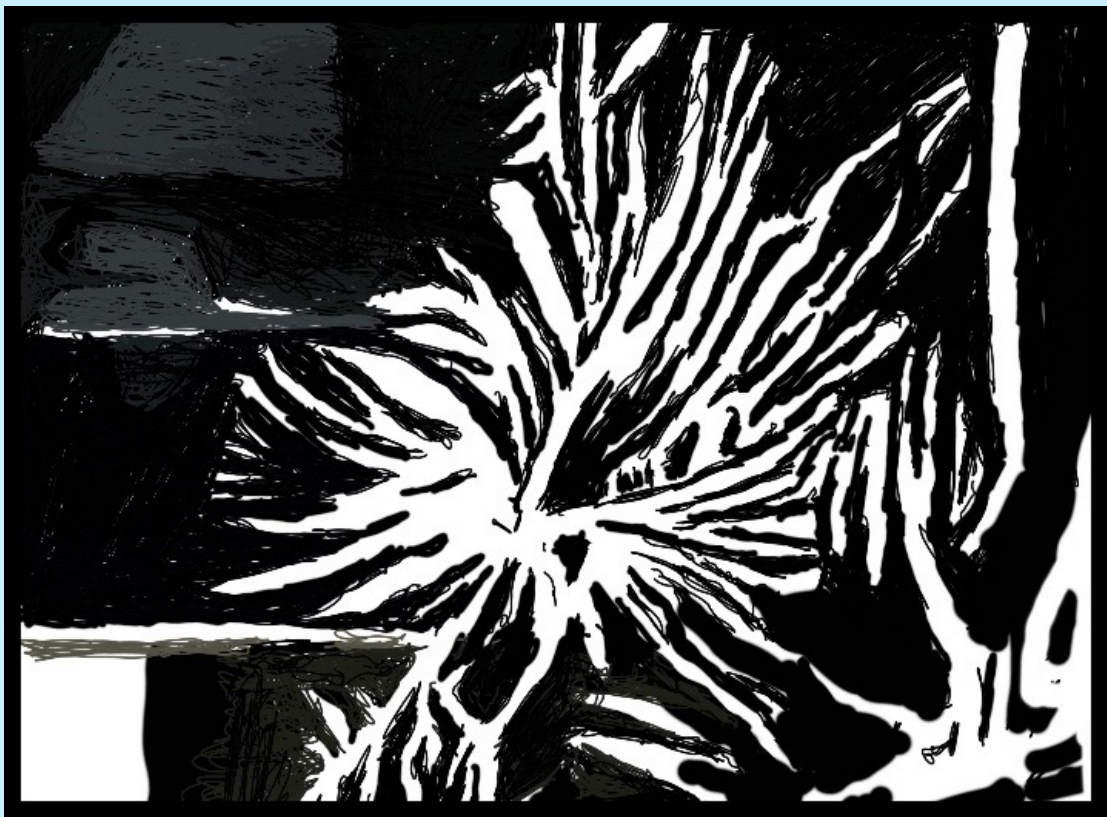

Failed Route One Surf and Turf Restaurant

We have actually eaten at this restaurant.

Bush

A nice black and white draw.

Perry Mason

Perry Mason is a true friend of mine.

Tree of Life

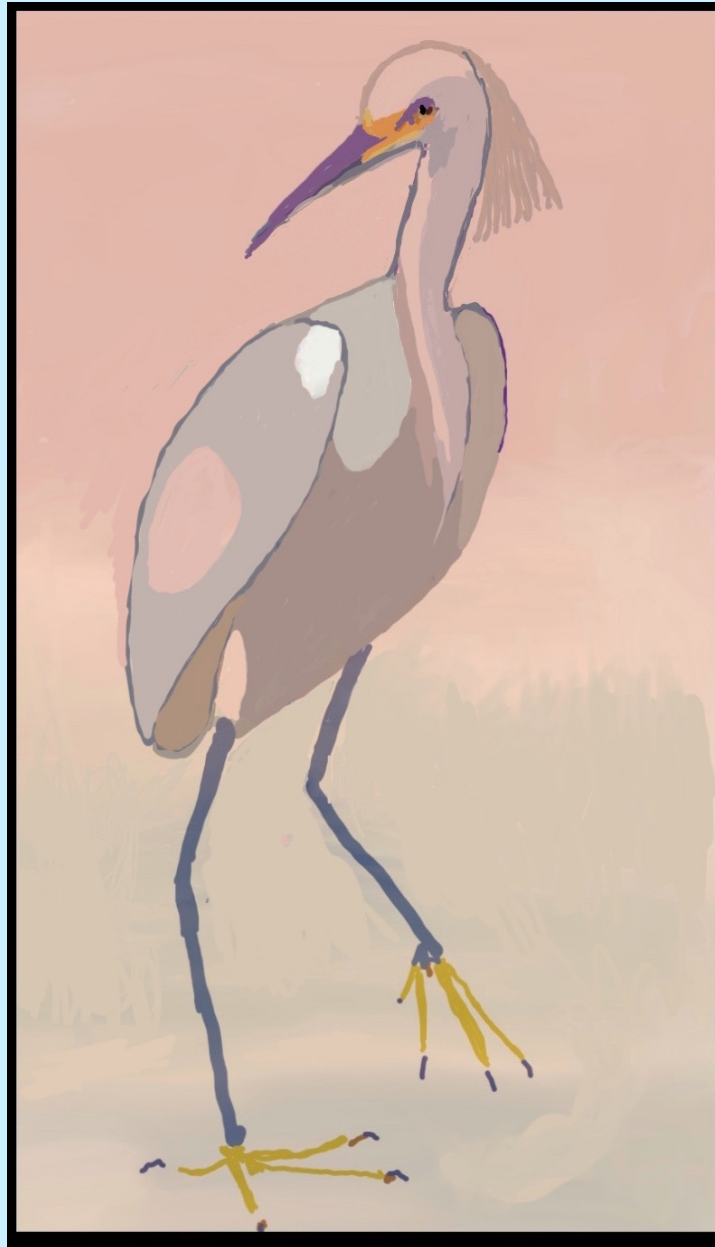

If I remember correctly, this tree is on the Washington DC Temple grounds.

Egg

Always remember that people are fragile.

Bird

Another fun drawing of a bird.

Chinese China

I love Chinese pottery.

Baby

My granddaughter in a classic Raphael pose holding a cross from a church down the street from where my son once lived.

Seventh Street

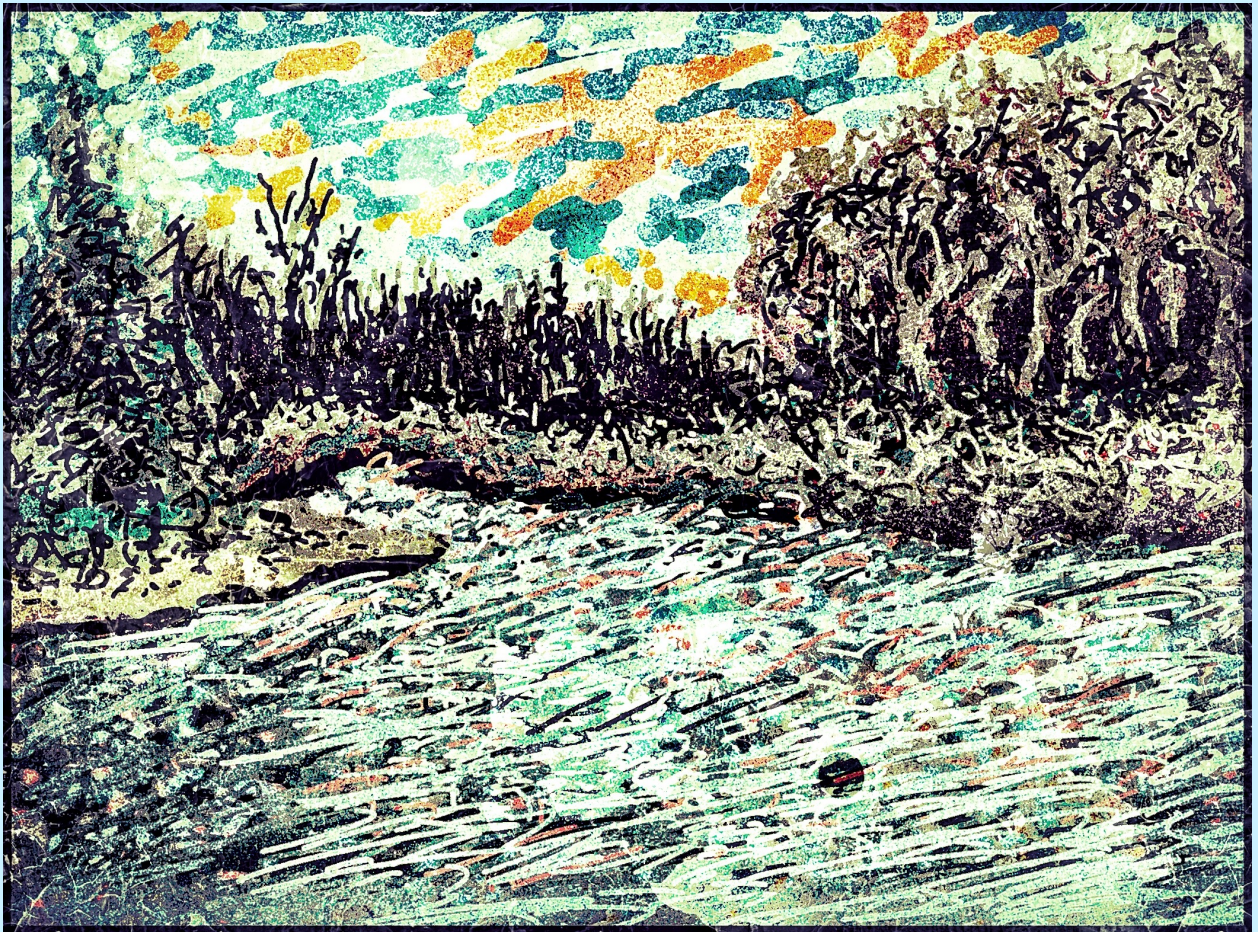

We used to call this the big green house
because it used to be green.

Route One Mansion

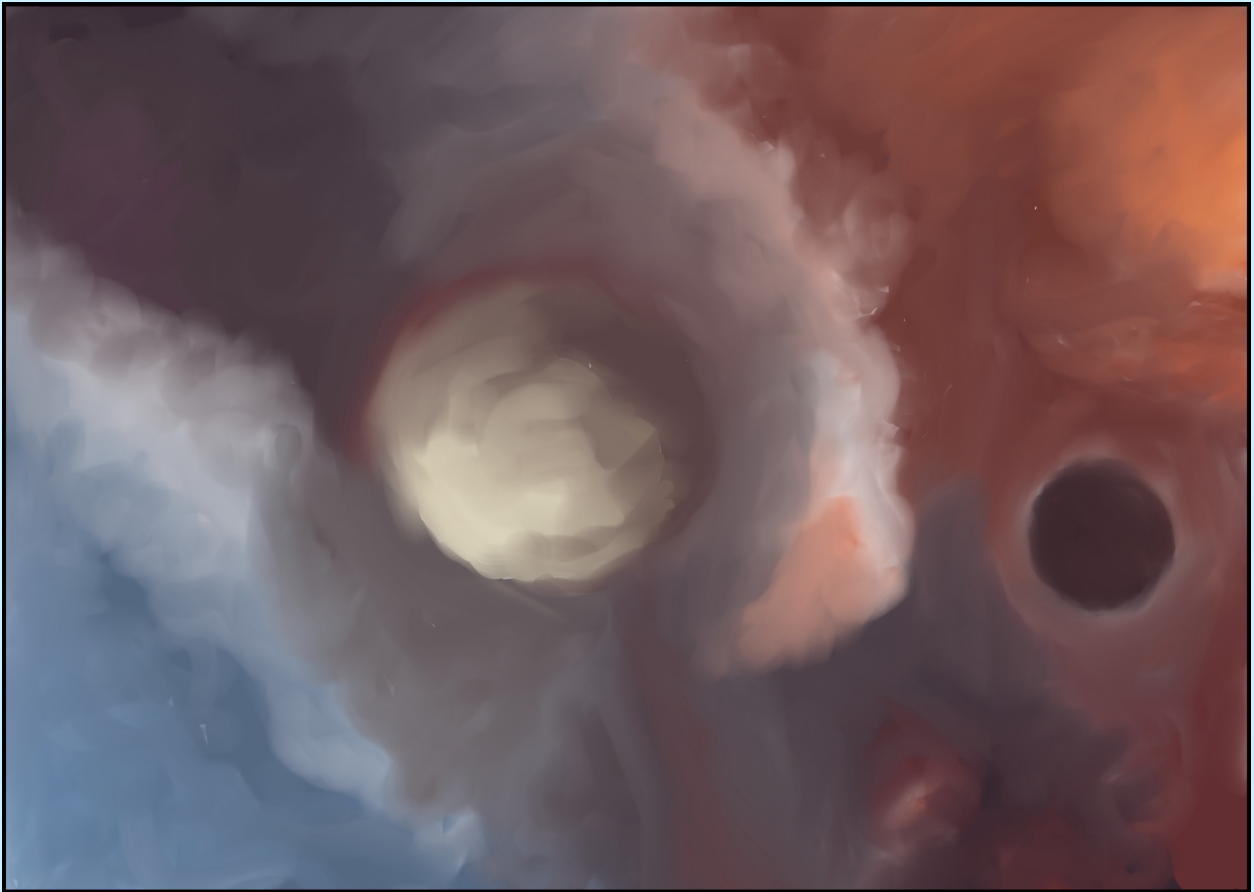

Rt. 1 by the Safeway, Laurel.

MD Park

MD park.

Worlds Without End

Another picture playing with photographing the sun.

Lemon Tree

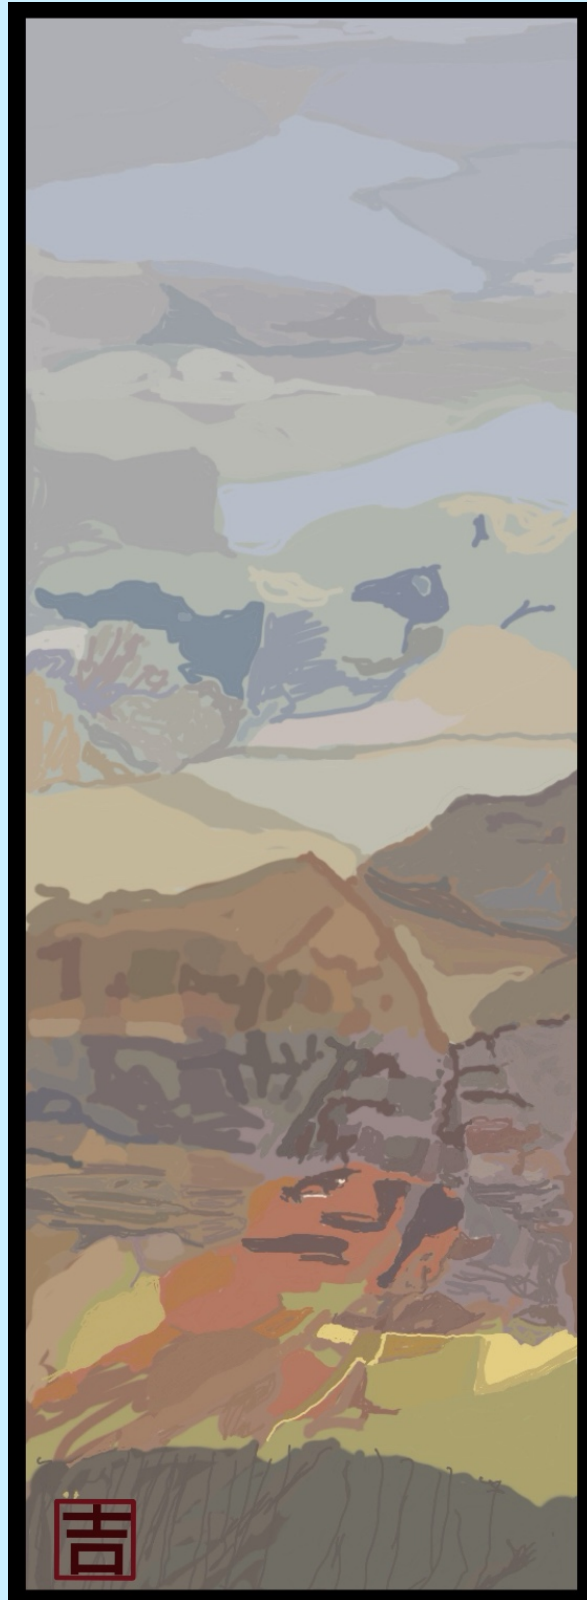

My first lemon tree.

Bubble Head

Chinese classic figure called Long Life.

Chinese Landscape

The North Sea

This is my attempt to redraw a dark 1920s watercolor that I bought in England.

The Neighborhood

A fun picture I made of our Gilbert neighborhood.

Neighborhood at Night

I love nighttime pictures.

The Vanished Lady

Another Hitchcock Lady.
